Informal Writing Assignment #1

Please write an informal essay in which you discuss two of the authors that we have read in the context of each other. Your essay

- could show how two works support each other.
- could point to incompatibilities between two views.
- could point to a particular issue that you would like to discuss.
- could show the superiority of one argument or position over another.

This list is not exhaustive – the only requirement is that you discuss two of the authors and make some points of connection between them.

Your essay should be 2-3 pages in length (typed, double-spaced, with 1" margins and a reasonable sized font). Quotations are not necessary, but if you use them, be sure to cite them properly. Please bring three copies to class.
